CLIENT FEEDBACK

“Your professionalism, creativity and personal touch made working with you such a pleasure. Everyone we know still tells us just how amazing all the little details were on our wedding day.”

— Nicki Cocco

“I was in love with my wedding flowers, and couldn’t have imagined anything better. I really appreciated the opportunity to brainstorm with you to help me determine my vision for the floral decor. I feel like you gave me exactly what I asked for. Thank you for coming through 100 percent.”

— Ariel Braley

“Besides the dress, the flowers are a bride’s most important accessory, and mine were perfect! The bouquets and arrangements truly made the ceremony and reception come to life. I am so fortunate to have found someone as attentive, hard-working, creative, and talented as Laurie! She helped make our perfect day even better.”

— Cassie Mort
